

Ashland Area Economic Development, Inc.

Ashland Area Economic Development transitioned into a private, non-profit organization during 2016, with January 1, 2017 starting a new and exciting chapter for us. The 501(c)3 structure provides tax exemptions to businesses and individuals while allowing us to strengthen relationships and offer confidentiality to private investors.

Ashland Area's Capital Infusion

Mission Statement: *To assist in the success of our existing businesses; attract viable companies to grow our communities; lead efforts to develop an attractive environment for investment; and to enhance the quality of life in the Ashland Area. We strive to foster and maintain working relationships with local, regional and state partners.*

Ashland County is part of Micropolitan's Top 100

"Economic development, like any game-changing enterprise, is hard work. Communities that excel at it do so through persistent attention to business retention and recruitment, tax and regulatory strategies, technical assistance and workforce development. In 2016, the efforts and rewards of Ohio micropolitans were not just impressive, they outpaced the rest of the nation by a strikingly wide margin."

-Site Selection Magazine

Ohio was the TOP 2016 MICROPOLITAN STATE in the United States, with Ashland County contributing to that success as a Top 100.

We've ranked 6th, 22nd and 78th in the past three years.

Micropolitan Qualifications include:

- Create 20 new jobs;
 - Construct 20,000 square feet; or
 - Invest \$1M in new infrastructure
- *Manufacturing, Distribution or Headquarters
